

# SMALL LUMINAIRE THAT PACKS A PUNCH.

NEW

## ELR 20 PRO

Lumen Output  
**730lm**

LED Power  
**8W**

NEW

## ELR 20 CLASSIC

Lumen Output  
**565lm**

LED Power  
**6.2W**

**Castor 2 Trimless**

Fixture size Ø52mm, aperture size Ø24mm

up to 40°

**X-BEAM**

Converging Optical Lens  
**Maximising LOR**

The new 20 series LED modules are now upgraded, with 20 PRO producing up to 730lm output at 8W LED power and 20 CLASSIC producing up to 565lm output at 6.2W LED power respectively. These improved LED modules are also equipped with X-BEAM optics that maximises luminous efficiency and increased light output ratio within size-2 luminaire fixtures.

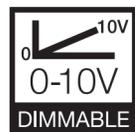

20 PRO and 20 CLASSIC LED modules are also available in WARM DIM, tuneWHITE™, flexiK for applications such as Human Centric Lighting that emphasises on human well-being.

### Single CCT and Variable CCT
